**Programmable logic control**

Programmable logic control in modular construction..... 802  
Programmable logic control with integrated display..... 803

**Switching and monitoring devices**

Malfunction alarm display for single inputs..... 821  
Malfunction alarm display with new value messages.....822..na  
series 822..na for single and chain alarm inputs  
Modular malfunction alarm display..... 826  
Data logger..... 83  
Digital temperature switch..... 842 2  
Electronic safety temperature limiter.....845 2  
Modular hardware.....852

**Accessories**

Electronic measuring transducer.....899 95
